GOGGLES

EQUIPMENTS | GOGGLES

FASTSKIN HYPER ELITE MIRROR - 812818

F976
Black Oxid Grey/Chrome
MRP : ₹ 6499

Available Sizes: One Size

A DECADE OF DOMINANCE - The Fastskin Hyper Elite Mirror Goggle is packed with hydrodynamic and performance-enhancing technologies. The new and improved Hyper Elite inspires a winning race-day performance with IQfit™ 3D seal and includes mirrored lenses to reduce brightness and glare. Developed in close collaboration with the world's top athletes and fully approved by World Aquatics.

Features:

- IQfit™ 3D goggle seal for a leak-free, secure fit and reduced marks around the eyes
- Hydroscopic lens shape for maximum foveal & peripheral vision with minimum head movement
- IQfit™ tensioning scale for a unique and personal fit
- Hydrodynamic nose bridges with patented vertical locking system for speed, comfort & durability
- Anti fog coated lens with 100% UV Protection

FASTSKIN SPEEDSOCKET 2 MIRROR - 810897

3515
Black/Chrome
MRP : ₹ 3799

Available Sizes: One Size

The Speedsocket 2 Mirror Goggle retains the classic Speedsocket fit of its predecessor but features a new hydroscopic curved lens for excellent clarity and improved peripheral vision. An ultra-low-profile frame, adjustable high-arch nose bridge, and a double silicone head strap complete the winning formula of our longest-serving racing goggle series. Now featuring mirrored lenses to reduce brightness and glare. Fully approved by World Aquatics.

Features:

- Cutting-edge Fastskin technology
- Hydroscopic Lens profile for maximum peripheral vision with minimum head movement.
- Interchangeable nose bridges for an individual fit
- Mirror lenses for reduced brightness and glare. Ideal for racing & outdoor swimming.
- Ultra low profile frame with ergonomically curved back clip
- Anti fog coated lens with 100% UV Protection

MRP : ₹ 2699

The new and improved Aquapulse Pro goggle redefines performance with its sleek frameless construction. Its innovative sidearm design, paired with cutting-edge IQfit™ technology, ensures a secure and comfortable fit, perfect for triathletes and fitness swimmers. Smoked lenses reduce brightness, making it an ideal choice for outdoor swimming.

Features:

- IQfit™ 3D goggle seal for a leak-free, secure fit and reduced marks around the eyes
- IQfit™ strap with tensioning scale for a unique and personal fit
- Sidearm design with orbital seal minimises eye pressure for a soft and accurate fit
- Intricately crafted wrap around lenses for maximum peripheral vision
- Super-soft seals with shatter texture for long-lasting comfort
- Anti fog coated lens with 100% UV Protection

HEAD SNORKEL - 875304

77010
Charcoal
MRP : ₹ 3999

Train smarter with the Bullet Centre Snorkel, designed with input from world-class Team Speedo athletes and hydrodynamics experts. It helps you master the neutral face-down positioning for freestyle and butterfly, improving body alignment for greater efficiency and speed. Engineered for high speeds, it offers stability during training, with an adjustable head strap for a secure fit and a removable silicone mouthpiece for easy cleaning.

Features:

- Adjustable head strap for a comfortable fit
- Low profile shape offers improved vision and reduces drag
- Premium silicone headstrap adjustable for perfect fit, split for stability and comfort
- Tear drop shape enhances stability and increases aerobic capacity
- Suitable for use with a mask or goggle

Minimum Pack Size: 1

LONG BLADE FIN 400 - 8004783

15334
Blue
MRP : ₹ 3999

The Long Blade Fin allows for a lighter kick, enabling you to achieve a propulsive whip during speed work and drills. Ideal for new and advanced swimmers, it can be used to help establish stroke cadence during longer endurance sets and add speed and power to technique sessions. Its soft, natural rubber design is engineered for comfort and includes an open-toe pocket.

Features:

- Speedo Biofuse® technology for superior comfort and fit
- Foot pocket engineered for comfort
- Open toe pocket
- Ideal for new and advanced swimmers

Minimum Pack Size: 1

KICKBOARD - 801660

15466
Fed Red / Blue Flame
MRP : ₹ 1999

Nail your kick technique and build leg strength. Ideal for technique sessions, the Kickboard puts the focus on your lower body, providing buoyancy so you can focus on perfecting the kick phase of your stroke. Without your arms for assistance, the lower body has to work harder to propel you through the water, which helps build leg strength and muscular endurance.

Features:

- Grip holes for a comfy swim experience.
- Optimum buoyancy so arms can rest comfortably while kicking
- Contoured for extra comfort
- Kick technique - increasing buoyancy isolates your lower body, leaving you free to focus on your kick technique.
- Leg strength - Kickboards allow you to build up leg muscle and strength, by forcing your lower body to do all of the hard work.

Minimum Pack Size: 1

KICKBOARD - 801660

17218
Hyper Yellow / Cobalt Pop
MRP : ₹ 1999

PULLKICK - 801790

C951
Green
MRP : ₹ 1999

Minimum Pack Size: 1

Space-saving, pullbuoy-kickboard hybrid. Get more from your workout with the 2-in-1 Pullkick, and take one training aid to the pool instead of two. Engineered for optimum buoyancy, the pullkick can be used to isolate the upper or lower body, allowing you to build arm or leg strength and improve your technique, depending on your training focus. Comfortable to use, it can be used to help improve and maintain a better body position during training.

Features:

- Engineered for optimum buoyancy
- Space saving design doubles as a pullbuoy and kickboard
- Engineered for comfort and superior wrist support

PULLBUOY - 877530

23001
Speedo Black
MRP : ₹ 1999

Minimum Pack Size: 1

Work harder and dial in your arm technique with our classic Pullbuoy. Designed to isolate the upper body, the pullbuoy adds buoyancy between your legs so you can refine your arm pull and improve your stroke technique. Without your legs to power you, your arm and shoulders take the load, improving upper body strength and endurance as you swim. Use it to improve your body positioning for better speed and efficiency.

Features:

- Optimum Buoyancy creates proper body alignment to enhance stroke technique
- To isolate arms to focus on proper pulling technique and strength building
- Arm strength - Isolate the muscles in your upper body to increasing arm and shoulder strength.
- Endurance - Increasing buoyancy keeps your body in a better position even as you get tired, so it's easier to swim for longer.
- Soft and durable EVA foam built for sustainability and comfort

PULLBUOY - 801791

15466
Fed Red / Blue Flame
MRP : ₹ 1999

Minimum Pack Size: 1

Work harder and dial in your arm technique with our classic Pullbuoy. Designed to isolate the upper body, the pullbuoy adds buoyancy between your legs so you can refine your arm pull and improve your stroke technique. Without your legs to power you, your arm and shoulders take the load, improving upper body strength and endurance as you swim. Use it to improve your body positioning for better speed and efficiency.

Features:

- Improved comfort and rounded design
- Ideal for learning new drills and technique work
- Arm strength - Isolate the muscles in your upper body to increasing arm and shoulder strength.
- Endurance - Increasing buoyancy keeps your body in a better position even as you get tired, so it's easier to swim for longer.

BIOFUSE NOSECLIP - 8004400

14491
Pool Blue / USA Charcoalz
MRP : ₹ 799

Minimum Pack Size: 1

The Biofuse Nose Clip provides the perfect level of security and comfort, preventing water from entering the nose so you can focus on your performance. The curved design conforms to the nose providing grip in the perfect position, whilst the unique diaphragm pad distributes pressure, softening contact for an improved feel. Meanwhile, the hard frame provides compression on the nose to block water flow. Easy to take off due to an ergonomic grip structure on the pad exterior, the Biofuse nose clip is also made from 40-50% biobased TPE.

Features:

- Speedo Biofuse® technology for superior comfort and fit
- Ergonomic security - hard frame provides comfortable compression on the nose to block waterflow.
- Surface texture applied to the pad exterior for ease of putting on and taking off, even when wet.
- Enhanced comfort - diaphragm pad design distributes pressure, softening contact with the nose and provides a lighter feel on the face.

UNIVERSAL NOSE CLIP - 870812

0002
Navy
MRP : ₹ 699

Minimum Pack Size: 1

A simple yet essential swimmers accessory, the Universal Nose Clip keeps the water out of your nose so you can concentrate on your technique. Suitable for any stroke, this high quality, clear nose clip is made with soft silicone pads for a comfortable fit. Comes with a reusable case to protect your clip and keep it clean.

Features:

- Memory plastic frame for optimum fit
- Soft Silicon pads offers maximum comfort
- Comes in a reusable case.

POWER PADDLE - 87530365

10210
Arctic Glass
MRP : ₹ 2499

Minimum Pack Size: 1

Ideal for multi-eventers, the IM Tech Paddle is designed to benefit the catch, pull and feel for the water across all disciplines. The pronounced edge promotes a better feel for the catch stage of each stroke, and the flat surface allows control throughout the stroke cycle.

Features:

- Adjustable wrist closure
- Flexible webbing for water resistance training
- To focus on proper pulling technique and strength building
- Curved inner edge - designed to improve the feel of the catch stage of breaststroke and backstroke swimmers.
- Wide outer edge - designed to promote a better feel of the catch stage of freestyle and butterfly swimmers.

BIOFUSE EARPLUG - 8002374

14491
USA Charcoal / Pool
MRP : ₹ 799

Minimum Pack Size: 1

The Biofuse Earplugs is engineered for superior comfort with a patented ergonomic design that's shaped to the ear canal, offering a secure fit during your swim. Easy to insert and remove, they keep the water out so you can train without distractions. 'R' and 'L' markings allow you to easily identify left and right earplugs, while the unique clip-together system floats in the water for easy location.

Features:

- Speedo Biofuse® technology for superior comfort and fit
- Ergonomic patented design shaped to the ear canal, for ultra comfort, fit and security.
- Easy insertion and removal
- Earplugs clip together and float in water to deter from losing individual earplugs.

LEARN TO SWIM

JUNIOR BULLET HEAD SNORKEL - 87753112

Train smarter with the Junior Bullet Centre Snorkel. Designed to help junior swimmers master the neutral face-down positioning required for freestyle and butterfly, it includes an added top strap which eliminates snorkel wobble to reinforce a streamlined body position. The adjustable headpiece and extra-thick foam pad at the forehead ensure a more comfortable swim experience.

Features:

- Flexible Centermount snorkel
- Inhale less water with the purge valve at the bottom of the snorkel base
- Adjustable headpiece for comfort
- Extra-thick foam pad at the forehead for added comfort
- Added top strap reinforces streamline position by eliminating snorkel wobbling

ShapeComplex U L T R A

Power fabric that shapes the body

Control fabric

Combines shapewear innovation with swimwear technology.

Shaping

Controls the body and gives a smooth silhouette.

Ultra chlorine resistance

LYCRA® XTRA LIFE™ lasts twice as long as standard swimwear fabrics.

ENDURANCE¹⁰

**Fits like new
for longer**

Higher chlorine resistance
Than standard swimwear fabrics.

Shape retention
Fabric stretches so you can enjoy
your swim without feeling restricted.

ENDURANCE⁺

**Designed to
last longer**

100% Chlorine resistant
For long lasting performance.

50% Recycled Content – one of the yarns is
made from 100% post-consumer waste, such
as recycled plastic bottles

Quick dry
Dries faster after your swim workout.

ENDURABRITE

- Higher chlorine resistance than standard swimwear fabrics – fits like new for longer with Creora highclo.
- High colour performance – enabling the use of fluo and bright colours.
- Made from recycled plastic bottles – the yarn in the fabric is made from 100% post-consumer waste, such as recycled plastic bottles.

ENDURAFLEX

Made from recycled waste fabric

Yarns in the fabric are made from 100% pre-consumer waste, such as waste fabric from factories.

Higher Chlorine Resistance

Than standard swimwear fabrics.

Shape retention

Fabric stretched so you can enjoy your swim without feeling restricted.

100% Recycled Polyester – Peached Poly Eco

These fabrics are made from 'post-consumer waste' which is recycled materials that were discarded after use.

Waste plastic such as plastic bottles are recycled into these polyester fabrics.

100% Recycled Nylon

This fabric is made from 'pre-consumer waste' which is recycled materials that were discarded before it was ready for consumer use.

Waste fabric from factories is collected up and transformed into a new nylon fibre.

Female swim short styles available in this fabric.

SWIMWEAR AFTER CARE

To ensure your swimwear lasts as long as possible, see these small steps on how you can care for your swimwear...

- Rinse immediately in clean cold water after use. Chlorine will damage the suit over time.

- Gently squeeze the suit to remove excess water or use a spinner at your local pool.

- Follow the washing instructions on the care label after each use.

- Lay flat in a warm environment and avoid direct lengthy exposure to the sun.

- Be careful where you sit. If possible, try to sit on a towel as pool side and decks can be abrasive which may snag the suit.

- Avoid contact with direct heat. Keep away from the radiator and do not iron.

GOGGLE AFTER CARE

Speedo would like your goggles to last as long as they can...
See these small steps of how you can care for your goggles:

Do's

Store in a
pouch or
dry area

Avoid
direct
sunlight

Rinse with
cold water
after use

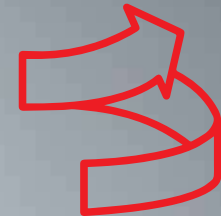

Don't

Don't
store with
sharp
objects

Don't
wipe
the lens

Don't
twist
or fold
